MEMORANDUM FOR THE CHAIRMAN, NSCIC WORKING GROUP

Subject: Draft Terms of Reference, NSCIC Working Group

1. This responds to your request at the 2 July meeting of the NSCIC Working Group for comments on the draft TOR.
2. It is proposed that:
 - a. Subparagraph 4.d. be changed to delete the reference to the Intelligence Panel from the TOR of the NSCIC Working Group. The Chairman of the Working Group, with the approval of the members of the Working Group, should be empowered to establish subordinate groups for specific efforts. Suggested wording would be:

"4.d. The Chairman of the Working Group, with the concurrence of the members, will establish panels or ad hoc subcommittees as may be necessary to support the Working Group program."
 - b. Subparagraph 5.c. be accepted as amended to permit the Working Group to initiate interagency studies, surveys, evaluations and inquiries, but that the requirement be retained to submit the results to the NSCIC for approval. Suggested wording would be:

"5.c. Initiate for NSCIC approval such interagency studies, surveys, evaluations, and inquiries as the Working Group considers are pertinent to the furtherance of the program of the NSCIC."
3. Subject to the above changes the draft TOR are acceptable and should be submitted to the NSCIC for approval.

A handwritten signature in black ink, appearing to read "Robert P. Hilton", is written over the typed name and title.
